ABOUT ME

I am a self-taught Front End Web Developer. I am on a new career path and developed a great passion for design and building things from scratch. From my previous work experience I learnt how to work under pressure and I always worked within a team. I am a team player and I believe a friendly smiley person. My interests are music, movies, nature.

WORK EXPERIENCE

Sep 2019 – Oct 2020 / Caesars Casino, Great Northern, Manchester

- Waitress / Bartender
- Making sure every customer is a happy customer
- Working within a team and very often under pressure
- Being fast and organized was essential

May 2016 – Sep 2019 / Subway, Piccadilly Station, Manchester

- Team leader
- Making sure there is a good working atmosphere on a shift and the team works well together
- Making sure every customer leaves happy
- Banking, daily paperwork
- Working in a busy environment and under pressure
